SERVICE Above Self

Today's Meeting

No Speaker Today: Club Assembly

This week's Jackpot: \$1,439.00

This week's door prize donated by: Dan Durbin

FROM PRESIDENT CHRIS

It was a special treat having Kathy Roth-Douguet as our speaker last week. She gave us quite a bit to think about with her comments. If you were too busy digesting the meal to hear it, Kathy made a familiar point regarding service that struck a cord with me. She said that service not only improves the lives of those you serve, it also makes your life better.

Today's program is a necessary exercise in laying the groundwork for a successful Rotary Year. Please give it your best effort as we address committee goals and objectives for the current year. Thank you to our board for organizing and providing leadership for our club's committees.

Chris Baker, 2008-2009 Sea Island Rotary President

Governor's Message July 2008

Welcome to Rotary District 7770!

Dear Fellow Rotarians:

Thank you for giving me the opportunity to serve you as your District Governor for 2008-2009. This is an exciting time as we begin a new year in Rotary.

As you know, International President D. K. Lee has chosen the theme of MAKE DREAMS REAL. With out District team of over 70 volunteers, along with our 78 clubs, I know that we will MAKE DREAMS REAL for many deserving people, not only in our district, but throughout the world.

District 7770 has a rich history and we want to build on that legacy this year. We are being challenged to concentrate on increasing our membership, chartering new clubs, supporting the push to raise funds for Polio Plus, and rise to new heights in Foundation giving. Our major service projects need to relate to child mortality, health and hunger, clean water, and literacy. I know that all of you are up to the challenge as we make every effort to MAKE DREAMS REAL and live a life of SERVICE ABOVE SELF.

S. Anne Walker

District Governor 2008-2009
