SERVICE Above Self

Today's Meeting- Lunch with Interact at Battery Creek High School

No drawing this week

FROM PRESIDENT CHRIS

We had a fantastic joint program with the Beaufort Rotary Club and the Lowcountry Rotary Club on Friday. The Blue Angels were on hand for a video presentation which was followed by a 45 minute question and answer session. They were a very informative and impressive team. Thanks to Beaufort Rotarians Andy Clapham and Col. John Snider for making this possible. Thank you for adjusting your schedule to attend.

Please mark your calendars and save the date of 6/26/2009. We will be having President elect Marc's Installation ceremony. The Installation program is one of our nicer affairs. I hope that everyone will make an effort to attend. Spouses and significant others are invited.

Chris Baker, 2008-2009 Sea Island Rotary President
