From President Marc

Thanks to our very own (and past president) Jerry Schulze for a most informative presentation on healthcare reform. While this is a complex matter with no perfect solution, it is clear that the health care system is broken and needs reform. Thanks Jerry, for informing us both as citizens and as business people and employers. Speaking of our role as business people, please remember the "Circle of Rotary" when choosing business partners. As business professionals, there should be nothing more rewarding than performing work for a Club member. Please call a Sea Island Rotarian first when you next need a loan, filling, eye exam, investment advice, will, etc.!

Don't forget this week's blood drive on August 15 in front of Belk at Cross Creek from 10 a.m. to 2 p.m.

Thanks Jerry for a timely topic!

District 7770 is recruiting candidates to serve as a team leader and participate as team members in a Group Study Exchange (GSE) trip to the Paraná state in southern Brazil. Although the team leader must be a Rotarian, GSE team members cannot be Rotarians or an immediate relative of a Rotarian. Applications to participate in the program are due by August 26, and interviews to select team members will be held in September. The trip to Brazil is scheduled from May 22, 2010, to June 20, 2010. For more information, contact Garry Powers, of the Rotary Club of Five Points, at 803-252-0336. www.rotary.org/en/serviceandfellowship/fellowship/GroupStudyExchange
