From President Marc

Last week we heard from Rick Toomey, President and CEO of Beaufort Memorial Hospital. Rick outlined the many challenges the hospital faces, particularly with insurance reimbursements and staffing. Rick also told us about the planned expansion of the ER, where there were an astounding 38,000 visits last year! We are most fortunate to have Rick and our own Past President Jerry and Alice at leadership posts at our Hospital.

Biathlon on March 6th. Even if you have not signed up for specific duties, come out to Hunting Island to support your Club and this fund raiser by cheering on the participants.
