From President Marc

Last week Headmaster (and President-Elect) Randy gave us an update on events at Beaufort Academy. Randy and his Board at BA are concentrating on exploiting BA's core competency as a college preparatory school, as well as on putting the school on a more secure financial footing by growing strategically and reducing administrative overhead. Thanks, Randy, for all you have done for our schools, and we look forward to your continued success at BA and to your leading our Club in the 2010-2011 Rotary year.

Rotarians are people with the highest ethical and quality standards. So, let's remember the Circle of Rotary when doing business ... call a Sea Island Rotarian FIRST.
