From President Marc

Last week we were hosted by our Interact Club's seniors at Battery Creek High School. All are college-bound and professed a life-long commitment to Service Above Self. We send our best wishes to these fine young people and thank faculty sponsor Lisa Howard for her time and dedication in leading the Interact Club. Two weeks ago, we heard from Rev. Daryl Jamison, CEO of WVGB, 1490 AM, on the challenges faced by small regional AM radio stations as well as the merits of advertising in local markets using AM radio as part of a broad-based marketing strategy.

District 7770, District Governor May Newsletter:

Dear Fellow Rotarians,

What a month for our district! First, congratulations to PDG Anne Matthews, who was nominated by incoming RI President Ray Klinginsmith and confirmed by a vote of the RI Board of Directors as a Rotary Foundation Trustee for a 4 year term beginning July 1, 2010. She will be the first woman elected by this new method and only the second ever to serve as Trustee.

Second, I am pleased to announce that I signed the charter application for the Summerville Evening Rotary Club at the District Assembly. They will be the 79th club in our district. A special thanks to Tony Pope, AG Don Nye, PDG Dennis Miskewicz and soon to be Charter President Skip Williams for making this club a reality.

Third, I am happy to report granting provisional club status to the Rotary Club of Longs Sunrise. PDG Mary Martin, AG Elizabeth Smith and Myke Wharff are working diligently to make club 80 a reality during this Rotary year.

Finally, we are closing in on a major milestone for any Rotary District: surpassing \$1 million in total giving to Our Rotary Foundation. We have passed the 3/4 mark with many clubs yet to send in their semi-annual contributions and PolioPlus checks. Please get them in the mail today!

As we continue to strive toward our reaching all of our goals let us each remember that The Future of Rotary is in Your Hands.

Yours in Rotary,

Alan Walters

Call for Nominations for SIRC Board Members

Dear Club:

Due to some bad math by me, and Jennifer Bailey's recent resignation, we are short 2 Directors of your Board of Directors going into President-Elect Randy's year.

We have consulted the Club Bylaws and according to them, the Board is charged with filling all Board vacancies, including of Directors-elect. Therefore, your Board is calling for nominations from which the Board will select two new Board members.

We have already received one nomination: Wayne Blau has been nominated by Bridget.

If you know of a Club member who would be a good addition to your Club's Board of Directors, please discuss the nomination with that member, and if he or she is agreeable, contact me or Randy no later than June 1st to put the name in nomination. My goal is to be able to announce to you at our June 8th meeting who your two new Board members will be and to see them installed at the Installation Banquet on June 11th.

Thanks,

Marc
