From President Randy

Last week's meeting was busy. We caught up on Pigskin Pick-um, gave out our last contribution for 2009-2010 Rotary year to CODA, announced all the Foundation Recognitions earned during Past President Marc's year, and listened to me whine about low adoptions for our shrimp race. All this before we heard from Chad Vail, a Daniel Island Rotarian and Executive Director for Junior Achievement. Thanks to all the members who have signed up to serve in this worthwhile program. This week we will hear from Ian Leslie on the topic of the Low Country Economic Network. Remember we need five more volunteers for loading shrimp at 8:00 A.M. and five more for cleaning and packing shrimp at 1:30. Each job is about one hour.
