From President Randy

Of course the first order of business is to thank everyone for helping us make the Shrimp Race a success. The final tally is just short of 4,425. There are so many to thank: Kathy and Meredith have dedicated all their time recently to keeping the database up to date and accurate; Dan's kids came through with 725 adoptions; Lowell and the Rotary Navy pulled off a great race, and other Rotarians like Georgianna, Ed Saxon, Ed Wise, Doug Maxey, Chris Baker, John Perrill, Jim Williams, Ed Duryea, Mike Mashke, John Barber, and many others demonstrated the values we hold as Rotarians during the weeks before the race and throughout the weekend. It is such a shame our great success is overshadowed by the tremendous loss we must share with one of our most hard-working and valued members. I hope everyone will continue to keep Georgianna and her family in his/her thoughts and prayers.
