SERVICE Above Self

Michael Fleischbein on Social Security for Baby Boomers

Today's drawing - \$1,235.00

Jim Rowan has donated today's door prize.

From President Randy

- Today we hear from one of our own, Michael Fleischbein; and the deck of cards from the weekly drawing is getting very small. I hope one of those items will encourage everyone will be here to listen as Michael shares what I am confident will be good news for those who are getting close to retirement.
- The Adventure biathlon continues to be the most important event on the SIRC horizon. We need to complete the list of volunteers, complete the list of volunteers who want T-shirts, and continue to encourage friends, relatives, and neighbors to participate in this fun event for the community and important fund raiser for the club.
- Trash pick-up has been rescheduled for this Saturday. Looks like the weather is going to be relatively warm and sunny. We meet at The Steamer at 8:00 A.M.
- We still need one more member to host a person from the GSE Team March 29 to April 1!

Rotary – The West Indies Way!

Wayne Blau made a visit to a Rotary club in the French-speaking part of St. Martin in the West Indies.

The Thursday evening meeting featured gathering at an outdoor sunset bar at 7:30 p.m. with the meeting following inside the restaurant at 8:00 p.m. It was quite an experience since nearly all of the 10 members in attendance spoke only French. Thankfully the Club president spoke English!

The experience became even more multicultural since the club was celebrating the Chinese New Year. Wayne found it interesting that if your wine glass was emptied, it was immediately filled but you had to fill your own water glass.

Below is Wayne and his new island friends!

Blood Drive March 6

The next Rotary Blood Drive is March 6 from 10 a.m. to 2 p.m. in front of Belk at the Cross Creek Shopping Center.

Trash Pick-up February 19
