### From President Randy

Thanks to Steve Riley for the excellent update on current issues affecting Hilton Head Island. I appreciate Ed for bringing us information from many of the local government entities during his month of programs.

The club is doing a great job recruiting new members. We will schedule a fireside chat and induction soon for Ernie, Brandon, and Warren. If you have others who are interested in learning more about SIRC, bring them to a fireside chat. Potential members do not have to attend a meeting before a fireside chat. In some ways it is good to provide lots of information about the club early in the process. Also remember the recruiting work does not end with the induction of a new member. It is essential to involve people in the club's activities and help them get to know everyone. Just in case you have lost track, new members include Stan Hurt, Jimmy Pate, David Homyk, David Roos, and Troy Ward.
