From President Randy

This last weekend several of us attended the District Conference in Charleston. Tom, Kathy, Ed, Bridget, Bob, Rion and I were there for some or all the conference. We were honored to receive both the District Governor's and the Presidential Citations for the hard work the club has accomplished this year. We also received another award, but I will save that announcement for the meeting. Next year the conference will be at the Marriott in Hilton Head around the same time of the year. The theme is "Happy Days" so I am sure those of you who were raised in the 50's will look forward to re-living some old music, sock hops, etc. The following year the conference will be our own Ed Duryea's responsibility and weekend in the spotlight. It will be very important for our club to attend in force to help him and to support the culminating celebration of his leadership in the district. We should look forward to that opportunity. It will be a first for Sea Island Rotary.

Remember next week we will not have a lunch meeting but will have an evening "Fifth Tuesday" at the Port Royal Marina. Then we have a joint meeting on March 30 at St. Peters to hear the visiting GSE Team.
