President's Message

Good Morning,

Look forward to seeing everyone today at the Quality Inn. Don't forget the Rotary Oyster Roast this Friday night. Thanks to all the volunteers that will help in setting up for this event as well as preparing the food for us to enjoy. A special thanks to Rion and Woody for coordinating our involvement.

Sea Island Rotary Adventure Biathlon is Saturday, March 10. Please put this on your calendar and make plans to help us in this 'all club' project. Don't forget to keep spreading the word about this event.

Gene Duncan was released from the hospital this past Friday and is resting comfortably at home. Please keep Gene in your thoughts and prayers.

Thank you,

President Tom

Last Meeting's Notes

Last week the Sea Island Rotary Club was charmed by St. Helena Island native, Pierre McGowan. Pierre shared memories of his life growing up on one of South Carolina's barrier islands as the son of The Gullah Mailman. Pierre considers the practical education he received by virtue of his Lowcountry upbringing every bit as important as his engineering degree from the Citadel.

In all we think, say and do....

1. Is it the Truth?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Reach Within to Embrace Humanity
